## Personal Data Protection Act (PDPA) & Data Protection Officer (DPO)

 We comply with the **Malaysia Personal Data Protection Act 2010**

- Your data is collected, used & disclosed **only with consent**
- Purpose: **service delivery, business operations, and improvement**

 **DPO Appointment:**

- Oversees compliance with **PDPA (Amendment) 2024**
- Handles **data subject requests** (access, correction, portability)
- Manages **breach notifications & cross-border transfer compliance**

## Data Protection & Privacy Policy

## Non-Disclosure & Confidentiality Agreements

-  All staff sign **Confidentiality Agreements**, reviewed annually
-  Company secrets, IP, R&D, financials & client data are **strictly protected**
-  IT safeguards:
  - Anti-virus installed on all devices
  - Blocked external storage / third-party downloads
  - Auto password reset every 90 days

## IT Policy

-  Website & system usage follows **Privacy Policy**
-  Compliance with **local & international laws** on data sharing
-  All staff & vendors must report **security violations** to IT Manager immediately
